INDIANA DELEGATE SELECTION PLAN

FOR THE 2020 DEMOCRATIC NATIONAL CONVENTION

ISSUED BY THE

INDEMPS

INDIANA DEMOCRATIC PARTY

(AS OF FRIDAY, MAY 03, 2019)
Indiana Democratic Party
Delegate Selection Plan
For the 2020 Democratic National Convention

Section I
Introduction & Description of Delegate Selection Process

A. Introduction

1. Indiana has a total of 77 delegates and 6 alternates. (*Call I & Appendix B*)

2. The delegate selection process is governed by the *Charter and Bylaws of the Democratic Party of the United States*, the *Delegate Selection Rules for the 2020 Democratic National Convention* (“Rules”), the *Call for the 2020 Democratic National Convention* (“Call”), the *Regulations of the Rules and Bylaws Committee for the 2020 Democratic National Convention* (“Regs.”), the rules of the Democratic Party of Indiana, the Indiana Election Code (“IC”), and this Delegate Selection Plan (“Plan”). (*Call II.A*)

3. Following the adoption of this Delegate Selection Plan by the State Party Committee, the State Party shall submit the Plan for review and approval by the DNC Rules and Bylaws Committee (“RBC”). The State Party Chair shall be empowered to make any technical revisions to this document as required by the RBC to correct any omissions and/or deficiencies as found by the RBC to ensure its full compliance with Party Rules. Such corrections shall be made by the State Party Chair and the Plan resubmitted to the RBC within 30 days of receipt of notice of the RBC’s findings. (*Reg. 2.5, Reg. 2.6 & Reg. 2.7*)

4. Once this Plan has been found in Compliance by the RBC, any amendment to the Plan by the State Party must be submitted to and approved by the RBC before it becomes effective. (*Reg. 2.9*)

B. Description of Delegate Selection Process

1. Indiana will use a proportional representation system based on the results of the 2020 Indiana Primary Election for apportioning delegates to the 2020 Democratic National Convention.
2. The “first determining step” of Indiana’s delegate selection process will occur on May 5, 2020, with a Primary Election. This is the only Primary Election Day in Indiana, thus several other candidates for office will be on the ballot, including candidates for Governor and US House of Representatives.

C. Voter Participation

1. Participation in Indiana’s delegate selection process is open to all voters who wish to participate as Democrats. *(Rule 2.A and Rule 2.C.)*
   a. All persons wanting to vote in Indiana’s Primary Election must register to vote by April 6, 2020.
   b. Democratic Party affiliation is determined by the most recent primary voting record for each person, but will not restrict newly registered voters from participating if they show faithful interest in the welfare and success of the Indiana Democratic Party and the Democratic Party of the United States.
      i. Voters wishing to declare their Democratic Party preference must ask for a ballot by party designation. After this is recorded, the voter must sign his or her name, thus establishing party preference and recording it for future reference. *(RULE 2.A & REG. 4.3.A)*
   c. To encourage participation by youth in the delegate selection process, any individual who will have turned 18 by the date of the general election will be allowed to participate in the delegate selection process. *(Reg. 4.3.C)*
   d. At no stage of Indiana’s delegate selection process shall any person be required, directly or indirectly, to pay a cost or fee as a condition for participating. Voluntary contributions to the Party may be made, but under no circumstances shall a contribution be mandatory for participation. *(Rule 2.D & Reg. 4.4)*
   e. No person shall participate or vote in the nominating process for the Democratic presidential candidate who also participates in the nominating process of any other party for the corresponding election. *(Rule 2.E)*
   f. Votes shall not be taken by secret ballot at any stage of the delegate selection process, including processes leading up to the selection of DNC Members or State Chairs or Vice Chairs, who serve as DNC members by virtue of their office, except that use of such voting by secret ballot may be used in a process that is the first determining stage of the delegate election process and in which all individual voters who wish to participate as Democrats are eligible to do so. *(Rule 2.F)*
   g. No person shall vote in more than one (1) meeting which is the first meeting in the delegate selection process. *(Rule 3.E & Reg. 4.7)*
2. The Indiana Democratic Party has taken steps to seek enactment of legislation, rules, and policies at the state and local level to enhance voter and election security to accomplish the following seven goals. All Senate Bills (SB) and House Bills (HB) mentioned are from the 2019 legislative session.

a. Maintain secure and accurate state voter registration rolls, so that every eligible American who registers to vote has their personal information protected and secure; *(Rule 2.H.1)*

The Indiana Democratic Party, through the party’s legislative members, has supported numerous bipartisan and nonpartisan voter registration laws that are in compliance with the National Voter Registration Act (NVRA) and the Help America Vote Act (HAVA) including the use and implementation of a statewide voter registration system under the control of the bipartisan state election division. We are also, through our legislative members, supporting nonpartisan legislation on election security and cybersecurity that will further prevent unauthorized access to the statewide voter list and securely keep voter’s information from being improperly accessed (SB 570). Since its implementation, the security of the statewide voter registration system has been of utmost importance to the bi-partisan election division. The state further hardened its system security by introducing additional multi-factor authentication options, updating its user access and password policies, and adding an Albert sensor to servers supporting the system, which is monitored by the EI-ISAC.

b. Implement transparent and accurate voter registration list maintenance procedures that comply with federal requirements and ensure that every eligible voter stays on the rolls; *(Rule 2.H.2)*

The Indiana Democratic Party continues to support legislative efforts that ensure any voter list maintenance program fully complies with the requirements of the NVRA and that it is executed in a uniform and nondiscriminatory manner. We support our legislative members’ efforts to expand voter registration to Election Day (SB 32, HB 1256, HB1646) and to implement stricter criteria for what counties must do before cancelling a voter’s registration (SB413) and to have Indiana join multi-state organizations, like the Electronic Registration Information Center (ERIC), that would assist with making sure all those eligible to register to vote are given the opportunity to do so before each election. Our party, through the Democratic staff at the Indiana Election Division, monitor current voter list maintenance efforts conducted at the county level to ensure compliance with state law and recommend needed changes to our state’s voter registration law that
adversely affect voters. In addition, the bi-partisan Election Division is required to implement a bi-annual statewide voter list maintenance program pursuant to state law, and the co-directors and their staff ensure both state and federal laws are followed.

c. Promote the acquisition, maintenance, and regular replacement of precinct based optical scan voting systems; *(Rule 2.H.3)*

The Indiana Democratic Party has nominated two (2) highly qualified members to the four (4) member Indiana Election Commission. This commission has the responsibility to approve voting systems that can be used in an election in the state of Indiana and monitor voting systems to ensure each system remains compliant with both Indiana law and federal guidelines that set the requirements each system must follow. *(Indiana Code 3-6-4.1, 3-11-7; 3-11-15)*

d. Ensure that any direct recording electronic systems in place have a voter verified paper record; *(Rule 2.H.4)*

Currently Indiana law permits a county election board to use an optical scan ballot voting system or a direct record electronic voting system. A DRE is not required to have a voter-verified paper audit trail. The Indiana Democratic Party and its members in the state legislature support the current legislative efforts to require direct record electronic systems to have a voter verified paper audit trail in order the system to be used in an election in Indiana. *(SB 570, SB 588).*

e. Implement risk limiting post-election audits such as manual audits comparing paper records to electronic records; *(Rule 2.H.5)*

The Indiana Democratic Party and its members in the state legislature support the current legislative efforts to implement risk limiting post-election audits throughout the state of Indiana *(SB 405, SB 558, SB 570).* Indianapolis/Marion County piloted a risk limiting audit following the 2018 primary election, allowing officials to test several RLA methods. The party’s support of a move to require voter verified paper audit trails is a necessity as only ballots marked by an individual can be used in an RLA.

f. Ensure that all voting systems have recognized security measures; *(Rule 2.H.6)*

The Indiana Democratic Party supports its legislative members’ efforts to provide required security measures for county election boards so that voting systems are not improperly accessed before, after, or in between election cycles and that these systems remain under the control of the bipartisan county election board when not in use during an election and the Democratic
state election division staff’s continual efforts to assist and advise counties on what security measures can be implemented (Indiana Code 3-11-7-20; 3-11-7.5-24; 3-11-15-46).

g. Use accessible and secure voting machines that make it possible for individuals with disabilities to vote securely and privately. *(Rule 2.H.7)*

The Indiana Democratic Party supports the state’s use of a nonpartisan technical oversight program that reviews and tests to ensure the voting systems comply with state and federal voting accessibility and security laws *(IC 3-11-16).*

3. In accordance with the Democratic Party’s requirement to assess and improve participation with respect to presidential preference and the delegate selection process, the Indiana Democratic Party has taken steps to establish, with DNC assistance, year-round voter protection programs to support educational, administrative, legislative, and litigation-based efforts to protect and expand the vote and advance election fairness and security. All Senate Bills (SB) and House Bills (HB) mentioned are from the 2019 legislative session.

Indiana allows for in-person absentee voting (early voting) at a county circuit court clerk’s office and county election board established satellite voting locations beginning twenty-eight (28) days before an election and concluding at noon, local prevailing time, the day before the election *(Indiana Code 3-11-10-26).* In-person “early” voting requires the voter to present an ID that comports with the state’s voter ID law: 1) ID must be issued by the state of Indiana or federal government; 2) voter’s name on the ID must conform to the name of the voter’s registration; 3) include a photo of the voter; and 4) be current or expired since the date of the last general election *(Indiana Code 3-5-2-40.5).* Indiana also allows absentee voting by mail but requires a voter claim a statutorily-provided reason in order to receive an absentee ballot. *(Indiana Code 3-11-10-24)*

In the May Primary Election, a voter may request an absentee ballot by mail between December 1 of the previous year and not later than 11:59pm (local prevailing time) eight days before the election. For the November General Election, a voter may request an absentee ballot by mail when voter registration re-opens after the Primary Election through 11:59pm (local prevailing time) eight days before the election. All domestic and military and overseas voters with approved applications to vote by mail must receive their ballot not later than forty-five (45) days before the election *(Indiana Code 3-11-4-18).* After that date passes a voter will have an absentee ballot mailed to them as soon as their application is received, processed, and approved. A voter must return their absentee ballot to their county’s election board no later noon, local prevailing time, on Election Day for the absentee ballot to be counted *(Indiana Code 3-11.5-4-10).* In the few Indiana counties that
count absentee ballots at the precinct, the ballot must be received by the county election board not later than the last delivery of absentee ballots to the precinct.

Additionally, voters with a disability that prevents them from completing their ballot independently and injured or confined voters can request a bipartisan absentee voting board visit them so that the voter may cast an absentee ballot (Indiana Code 3-11-10-25). Absentee voter boards may begin to visit voters who have requested to vote by absentee ballot via a board beginning nineteen (19) days before Election Day and end on the day before Election Day.

In addition, the Indiana Democratic Party has taken steps to achieve the six goals set forth below. All Senate Bills (SB) and House Bills (HB) mentioned are from the 2019 legislative session. *(Rule 2.I and 2.I.1)*

a. Expand access to voting, including by early voting, no excuse absentee, same-day voter registration, and voting by mail; *(Rule 2.I.1.a)*

The Indiana Democratic Party continues to support its legislative members’ efforts to push for legislation to allow no excuse absentee voting (HB1504, SB86, SB261), same-day voter registration (SB 32, HB 1256, HB 1646), and expanded voting by mail (HB 1504, SB 86, SB 261).

b. Ensure that voting locations are accessible, fairly placed, and adequate in number, and have a sufficient number of voting machines; *(Rule 2.I.1.b)*

Indiana has implemented federal voter accessibility laws and included them in state statute to make them applicable to all elections conducted in the state. *(Indiana Code 3-11-8-1.2; 3-11-8-3.1; 3-11-8-3.4; 3-11-8-6)*

c. Speed up the voting process and minimize long lines; *(Rule 2.I.1.c)*

The Indiana Democratic Party continues to push for expanded early voting and no excuse absentee-by mail voting (HB 1504, SB 86, SB 261) in order to reduce lines on election day. In addition, we support legislative efforts to expand election day voting hours (HB 1256, HB 1684).

d. Eliminate onerous and discriminatory voter identification requirements; *(Rule 2.I.1.d)*

The Indiana Democratic Party and it’s members sued to strike down Indiana’s voter identification law when it was enacted in 2005. Crawford v. Marion County Election Board, 553 U.S. 181 (2008). Democratic members of the Indiana General Assembly have introduced legislation to expand the definition of the photo ID statute to allow for more types of ID to be used (SB 139).
d. Count and include in the final total ballots from voters who are eligible to vote but cast their ballots in the wrong precinct, for offices for which they are eligible to vote; *(Rule 2.I.1.e)*

Beginning in 2019, Indiana’s largest county, Marion County, will implement vote centers increasing the locations an individual can vote on Election Day from 1 to 300.

f. Facilitate military and overseas voting. *(Rule 2. I.1.f)*

Indiana has implemented federal military and overseas voting laws (MOVE Act) and added those requirements in state law to make them applicable to all elections conducted in the state (Indiana Code 3-11-4-5.5; 3-11-4-5.7; 3-11-4-6; 3-11-4-7; 3-11-4-8). Military and overseas voters are permitted to vote by fax or email, if the individual waives their right to a private ballot.

4. As part of encouraging participation in the delegate selection process by registered voters, the Indiana Democratic Party is promoting the following. *(Rule 2.I.2)*

   a. Voter registration modernization, including online voter registration and automatic and same-day registration; *(Rule 2.I.2.a)*

   The Indiana Democratic Party supports our party’s legislative member’s efforts to enact same-day (SB 32, HB 1256, HB 1646) and automatic voter registration (SB 349) in the state. Additionally, Indiana does permit online voter registration for those individuals with a valid Indiana driver’s license or state ID card. This requirement is necessary to provide for the electronic signature on the BMV file to be imported electronically to the voter’s registration record within the statewide voter registration system. We support the Democratic staff of the Indiana Election Division in their continued pursuit to modernize Indiana’s online voter registration system as required by Indiana Code 3-7-26.7 and making it efficient for all Indiana registered voters to look up and confirm their voter registration information, find important election dates and information, and find election results data on its public facing voter registration website www.indianavoters.com.

   b. Pre-registration of high school students so that they are already registered once they reach voting age; *(Rule 2.I.2.b)*

   Indiana law permits a voter who will be 18 on or before the date of the November general election to register and vote in the May primary election. The Indiana Democratic Party supports our party’s legislative members who
want to pursue pre-registration legislation (SB 349).

c. Restoration of voting rights to all people who have served the time for their criminal conviction, without requiring the payment of court fees or fines; *(Rule 2.I.2.c)*

Indiana currently allows any person who was imprisoned following conviction of a crime and that is subsequently released to register to vote and participate in elections, even if those individuals are on probation, parole, or home detention (Indiana Code 3-7-13-4; 3-7-13-5).

d. Same-day or automatic registration of voters for the Democratic presidential nominating process. *(Rule 2.I.2.d)*

The Indiana Democratic Party supports our party’s legislative members’ efforts to enact same-day (SB 32, HB 1256, HB 1646) and automatic voter registration (SB 349) in the state.

5. Indiana is participating in the state government-run presidential preference primary that will utilize government run-voting systems. Indiana is not a party registration state. A voter is eligible to cast a ballot in an Indiana Democratic Primary if they voted for a majority of the party’s nominees in the last General (federal) Election or, if the voter did not vote in the last General Election, intends to vote in the next General Election after the Primary Election and will vote for a majority of the party’s nominees on the voter’s ballot (Indiana Code 3-10-1-6). *(Rule 2.J and Rule 2.J.1)*

6. Scheduling of Delegate Selection Meetings

The dates, times and places for all official Party meetings and events related to the state’s delegate selection process must be scheduled to encourage the participation of all Democrats. Such meetings must begin and end at reasonable hours. The state party is responsible for selecting the dates and times and locating and confirming the availability of publicly accessible facilities for all official meetings and events related to this process. In addition, the scheduling of meetings shall consider any religious observations that could significantly affect participation. *(Rule 3.A & Reg. 4.)*
A. Ballot Access

The State of Indiana and the Indiana Democratic Party do not require filing fees of any kind. A presidential candidate gains access to the Indiana presidential preference primary ballot by completing the following:

1. Submit a request for primary ballot placement (CAN-7) and a petition for primary ballot placement (CAN-8) in person or by mail to the Indiana Election Division no later than Noon, Eastern Time on February 7, 2020. CAN-8 forms for the 2020 election are estimated to be available in July 2019, CAN-7 forms are estimated to be available December 2019. (IC 3-8-2-4; IC 3-8-3-1; IC 3-8-3-5)

   Indiana Election Division
   Indiana Government Center, South
   302 West Washington St.
   Room E204
   Indianapolis, IN 46204-2767
   (317) 232-3940

2. The CAN-7 must be accompanied by a certified (CAN-8) petition of nomination signed by at least 500 registered voters from each of Indiana’s nine (9) congressional districts. Each petition must include:
   - Signature of each petitioner, though a person with a disability who is unable to sign the document may have another individual sign the petition on their behalf if the voter assistance affidavit on the petition is signed;
   - The name of each petitioner legibly printed;
   - The residence address of each petitioner as set forth on the petitioner’s voter registration record (IC 3-8-3-2);
   - The name, address, and other information set forth on the petition for the petition carrier (i.e. the individual circulating the petition) must also be completed. If any information is missing, the county voter registration official cannot process the petition but must reach out to the petition carrier to inform them the information is incomplete. If the required information is not perfected by the petition filing deadline for certification, then the petition is to be rejected.

   The petition must request the presidential candidate’s name be placed on the ballot of the May 5, 2020, Primary Election (IC 3-8-3-3).

3. A candidate must submit a petition of nomination for certification to the county voter registration office of each voter that signed the petition not earlier than Wednesday,
January 8, 2020, and not later than Noon, local prevailing time, January 28, 2020 (IC 3-8-3-4).

4. The CAN-7 and county certified CAN-8 petitions must be filed with the Indiana Election Division not earlier than January 8, 2020, and not later than Noon EST February 7, 2020. The CAN-7 and CAN-8 must be original documents; faxed, emailed or photocopied CAN-7 or CAN-8 will be rejected.

B. Other Requirements

1. Each presidential candidate shall certify in writing to the State Party Chair, the name(s) of their authorized representative(s) by January 1, 2020. (Rule 13.D.1)

2. Each presidential candidate (including uncommitted status) shall use their best efforts to ensure that their respective delegation within the state delegation achieves the affirmative action, outreach and inclusion goals established by this Plan and is equally divided between men and women. (Rule 6.I)

Section III
Selection of Delegates and Alternates

A. District-Level Delegates and Alternates

1. Indiana is allocated 46 district-level delegates and 0 district-level alternates. Indiana is allocated 6 alternate delegates. All 6 alternate delegates will be selected At-Large. (Rule 8.C, Call I.B, I.I, Appendix B, & Reg. 4.34)

   a. District-level delegates and alternates shall be elected by a Presidential preference primary followed by a post-primary caucus.

   b. The May 5, 2020, Indiana Primary Election will determine the number of delegates allotted to a presidential candidate at all levels of the Indiana Democratic Party Delegate selection process, except for the Democratic National Committee Members, Members of Congress and Distinguished Party Leaders in their respective unpledged categories.

2. Apportionment of District-Level Delegates and Alternates

   a. Indiana’s district-level delegates and alternates are apportioned among the districts based on a formula giving equal weight to the vote for the Democratic candidates in the 2016 presidential and the most recent gubernatorial
elections. This method was chosen as it is an unbiased assessment of our democratic electorate. *(Rule 8.A, Reg. 4.12, Reg. 4.11 & Appendix A)*

b. The number of men and the number of women in the state’s total number of district-level delegates and alternates will not vary by more than one. *(Rule 6.C.1 & Reg. 4.9)*

c. The district-level delegates and alternates are apportioned to districts as indicated in the following table:

3. District-Level Delegate and Alternate Filing Requirements

a. A district-level delegate and alternate candidate may run for election only within the district in which they are registered to vote. *(Rule 13.H)*

b. An individual can qualify as a candidate for district-level delegate or alternate to the 2020 Democratic National Convention by filing a statement of candidacy designating his or her singular presidential (or uncommitted) preference and a signed pledge of support for the presidential candidate (including uncommitted status) with the Indiana Democratic Party, located at 115 W Washington St., Suite 1165 South, Indianapolis, Indiana, 46204. Filing will begin on May 1, 2020, at 9:00 a.m. EST at the Party Headquarters, 115 W Washington St., Suite 1165 South, Indianapolis, Indiana, and will continue until 12:00 p.m. EST on June 1, 2020. All filing must be received during this time.
period and clearly indicate the category (District-Level, At-Large, and Party Leader and Elected Official) to which the person chooses to be elected. Individuals are not restricted from filing for more than one delegate category simultaneously. Filing forms for these positions will be available from County Chairs, District Chairs and the Indiana Democratic Party Headquarters prior to the filing period. Filing is encouraged to be completed in person. However, filing forms returned by mail to the Indiana Democratic Party should be sent by certified mail and received by the deadline. Filing for anyone other than yourself is prohibited. A delegate or alternate candidate may modify his or her singular presidential preference by submitting an updated pledge of support no later than the filing deadline. (*Rule 13.B, Rule 15.F & Reg. 4.23*)

c. The filing form will be designed so that a candidate must designate a presidential preference and sign a pledge of support for the presidential candidate the person favors.

d. All candidates considered for district-level alternate positions must meet the same requirements as candidates for district-level delegate positions. (*Rule 13.C*)

4. Presidential Candidate Right of Review for District-Level Delegates and Alternates

a. The State Party Chair shall convey to the presidential candidate, or that candidate’s authorized representative(s), not later than 5:00 PM EST on June 1, 2020, a list of all persons who have filed for delegate or alternate pledged to that presidential candidate. (*Rule 13.D & Rule 13.F*)

b. Each presidential candidate, or that candidate’s authorized representative(s), must then file with the State Party Chair by 12:00 PM EST June 4, 2020, a list of all such candidates they have approved, provided that approval be given to at least three (3) separate individuals for each position for delegate and three (3) separate individuals for each alternate position to be selected. (*Rule 13.E.1, Reg. 4.24 & Reg. 4.25*)

c. Failure to respond will be deemed approval of all delegate and alternate candidates submitted to the presidential candidate unless the presidential candidate, or the authorized representative(s), signifies otherwise in writing to the State Party Chair not later than 12:00 PM EST June 4, 2020.

d. National convention delegate and alternate candidates removed from the list of bona fide supporters by a presidential candidate, or that candidate’s authorized representative(s), may not be elected as a delegate or alternate at that level pledged to that presidential candidate. (*Rule 13.E & Reg. 4.24*)
e. The State Party Chair shall certify in writing to the Co-Chairs of the DNC Rules and Bylaws Committee whether each presidential candidate has used their best efforts to ensure that their respective district-level delegate candidates and district-level alternate candidates meet the affirmative action and outreach and inclusion considerations and goals detailed in the Affirmative Action section of this Plan within three (3) business days of returning the list of approved district-level delegate candidates and district-level alternate candidates as indicated in Section III.A.5.b of this Plan. *(Rule 6.I & Reg.4.10.C)*

5. Fair Reflection of Presidential Preference

The Indiana Presidential Primary Election is a “binding” primary. Accordingly, delegate and alternate positions shall be allocated so as to fairly reflect the expressed presidential (or uncommitted) preference of the primary voters in each district. The National Convention delegates and alternates selected at the district level shall be allocated in proportion to the percentage of the primary vote won in that district by each preference, except that preferences falling below a 15% threshold shall not be awarded any delegates or alternates.

b. Within a district, if no presidential preference reaches a 15% threshold, the threshold shall be half the percentage of the vote received in that district by the front-runner. *(Rule 14.F)*

c. Delegates to the Indiana Democratic State Convention, June 13th, 2020, will gather in District caucuses held at the Indiana Convention Center in Indianapolis, Indiana. *(Rooms and times to be announced at the convention).* No person can participate in more than one delegate selection process. State delegates will declare their presidential preference at the Congressional district caucus meeting by signing a statement of support for a presidential candidate. The state convention delegates will be given the appropriate ballot for the selection of national delegates and candidates for alternates representing that presidential candidate from that specific district. All candidates for district-level delegate and alternates will be allowed to attend the congressional district caucuses.

To participate in the district caucuses and cast a ballot for national convention delegates and alternates, the participant must have been elected as a state convention delegate at the May 5, 2020, Primary, or appointed to fill a vacancy by the County Chair in the county in which the state delegate is registered to vote. Filing for state convention begins on January 8, 2020, in each county and closes on Noon EST on February 7, 2020. A person becomes a candidate for
state convention delegate by completing the appropriate form with the clerk of the circuit court in the county of registration during this time period. Indiana state law requires a candidate for delegate to the Democratic State Convention to be a registered voter and have voted as a Democrat in the most recent primary election in which the candidate has participated. This provision does not disqualify candidates who have not previously voted in a primary election, but it attempts to ensure that state delegate candidates are Democrats by requiring those Democratic candidates with no democratic voting history to get written authorization from their county chair.

According to the Indiana Democratic Party rules and guidelines established by Indiana state law, the delegates to the Indiana Democratic State Convention shall be chosen from each county and apportioned by a vote of the Indiana Democratic State Central Committee. The apportionment of delegates is from the following formula: the average of the Democratic vote for Governor in 2016 and the Democratic vote for Secretary of State in 2018 divided by 400. The State Party Chair must declare the number of delegates per county to the Election Division of the Secretary of State by noon on November 30, 2019 (IC 3-8-4-3). A county’s delegation is further distributed between congressional districts when applicable for the purposes of congressional district caucuses.

The Indiana State Party Chair will provide a “Call to the State Convention” to the press and party officials thirty (30) days prior to the convention, to all circuit court clerks to be distributed to all candidates for state convention delegates and to persons elected as state convention delegates after their election on May 5, 2020. The Call will include a special section of the delegate selection process with the following:

1. Announcement of the 2020 Democratic National Convention
2. Number of delegates and alternates to be selected
3. Apportionment of delegates
4. Candidacy filing procedures
5. Presidential preference of delegates and alternates
6. Time and location of meetings
7. Results (official results of the district elections will be announced at the state convention)
8. Alternates and vacancies (all elected delegates to the State Convention who cannot attend the convention must notify in writing their intentions to be absent to the county chair from the county in which they reside. The county chair will then certify and authorize the elected alternates.)
9. Certification of state convention delegates
10. Tie Votes (All tie votes for National Convention Delegate shall be resolved by a coin toss)
One hour following the adjournment of the 2020 Indiana Democratic State Convention on June 13, 2020, the 46 district-level delegates will meet at the Indiana Convention Center, Indianapolis, Indiana. (Room to be posted and announced at the Convention) for the purpose of selecting the remainder of the delegation.

6. Equal Division of District-Level Delegates and Alternates

   a. To ensure the district-level delegates are equally divided between men and women (determined by gender self-identification) delegate positions within each district will be designated by presidential preference beginning with the highest vote-getting presidential preference. This assignment of delegate positions will continue with the next highest vote-getting preferences in descending order, with positions assigned to either male and female alternating by gender as mathematically practicable, until the gender of each position has been assigned. As part of this, the State Democratic Party should develop a strategy to provide education programs directly to voters who continue to experience confusing timelines for registration, changing party affiliation deadlines, or lack of awareness of the process for running for delegate, to ensure all Democratic voters understand the rules and timelines and their impact on voter participation. (Rule 4.B.5)
6. The Indiana Democratic Party should publicize fully and in such a manner as to assure notice to all interested parties, a complete description of the legal and practical qualifications of all positions as officers and representatives of the State Democratic Party. Regular updates should be posted/released throughout the state’s delegate selection process to ensure broad and timely coverage and awareness about the process to all interested persons. *(Rule 4.B.3 & Rule 6.D)*

3. A priority effort, as described in the Delegate Selection Media Plan, shall be directed at publicity among the Democratic Party’s constituencies.

2. Each presidential candidate must submit a written statement to the State Party Chair by October 1, 2019, which indicates the specific steps they will take to encourage full participation by their supporters in Indiana’s delegate selection process, including, but not limited to, procedures by which persons may file as candidates for delegate or alternate pledged to the presidential candidate. *(Rule 6.H.1)*

3. Each presidential candidate must submit demographic information with respect to all candidates for delegate and alternate pledged to them. Such information shall be submitted in conjunction with the list of names approved for consideration as delegate and alternate candidates pledged to the presidential candidate. *(Rule 6.H.2)*

4. Presidential candidates shall use their best effort to ensure that their respective delegates, alternates, and standing committee members shall achieve the affirmative action goals reflected in the Affirmative Action Plan and Outreach and Inclusion Program and that the number of men and the number of women in their respective delegations shall not differ by more than one (as determined by gender self-identification). Furthermore, presidential candidates shall use their best efforts
at the district level to approve delegate, alternate, and standing committee candidates who meet applicable equal division and affirmative action considerations to promote and achieve the state’s affirmative action, outreach and inclusion goals and equal division for their respective delegations. *(Rule 6.C., Rule 6.I & Reg. 4.10)*

F. Outreach and Inclusion Program

1. The Indiana Democratic Party is committed to helping achieve full participation of those groups of Americans who have historically been explicitly denied the right to vote or who have been subjected to discriminatory and exclusionary practices that have denied them voting rights and full participation in the delegate selection process and other Party meetings, events and elections, along with other groups of Americans who are also underrepresented in Party affairs.

2. As such, the State Democratic Party has developed outreach and inclusion programs and is committed to fully implementing the programs so that all persons who wish to participate as Democrats understand they are welcome and encouraged to be a part of the delegate selection process and in the Party at the local, state, and national levels.

3. The State Party will make accommodations to facilitate greater participation by people with disabilities. These include but are not limited to: ensuring that meeting facilities are ADA compliant and providing seating space for wheelchairs, a sign language interpreter, and voting assistance as needed.

4. In addition to the education, publicity and other steps described above, the State Party will implement the state outreach plan and monitor the efforts of county parties to implement local outreach programs.

The following outlines the data and sources used for establishing numerical goals under Rules 5.C., 6.A., 7.

**Step 1: Determine the percent of the state’s citizen voting-age population (CVAP) that each group makes up**

For these estimates, we used data from the Census Bureau’s most recent American Community Survey (ACS) datasets. The ACS also provides CVAP estimates split out by race and ethnicity, allowing us to find estimates for African American, Hispanic, AAPI, and Native American populations.¹

To determine the numbers for disability, the ACS Disability Characteristics dataset was used²

To determine the percentage, these numbers were divided by the total CVAP of Indiana, 4,850,325.

The LGBT population is not quantified in ACS data, so to estimate this we relied on data from the Gallup Daily tracking survey.³

**Step 2: Estimate the number of Democrats in each demographic group in the state**

To estimate the number of Democrats in each demographic group, the levels of Democratic support were calculated. Using a combination of ethnicity models, voter file self-reported race where available, and voter file age, as well as the 2018 DNC Dem Support model, support by race and among young voters was estimated.

For disabled voters, we assigned Democratic support rates equal to those of the overall populations in the state⁴, based on surveys suggesting that Democratic support among disabled voters is similar to that of non-disabled voters. For LGBT persons, we assigned a single national estimate of Democratic support based on 2018 exit polls.⁵

This estimated Democratic support was then multiplied by the estimated number of persons, as identified in step 1, to find the estimated number of Democrats in each demographic group in the state.

Indiana 2020 Delegate Selection Plan

To determine the estimated number of Democratic supporters in the state, the CVAP estimate was multiplied by the percent of the vote the top of the ticket received in the most recent statewide election (2018 United States Senate race – 45.10% of the vote). This gives us an estimated 2,187,497 Democrats in the state overall. The estimated number of Democrats in each demographic group calculated in step 2 was divided by this number to find the percent of the Democrats in the state each demographic group makes up.

All of the data collected and calculated in each of the steps above is shown below

To address the considerable increase in the youth electorate while still creating achievable goals for our state, we approached creating the numeric goal based on the change in the electorate estimate and the change in our delegation size. From 2016 to 2020, the estimated percent of the Democratic electorate that are youth increased by 15%. A 15% increase was applied to the 2016 numeric youth goal and, considering the reduced overall size of our delegation, a final goal of calculated.

A STATEMENT FROM THE STATE CHAIR CERTIFYING THE PROCESS AND ALLOCATION METHOD FOR DISTRICT-LEVEL DELEGATES.

Allocation of District Delegates

The following chart shows how we arrived at the total number of delegates per congressional district. To find the delegate number, we followed formula #2 from the Democratic National Committee’s rules and bylaws committee.

Allocation fraction = \((1/2)*((\text{CDPV16/SDPV16}) + (\text{CDGV16/SDGV16}))\)

CDPV16=Congressional District Presidential Vote in 2016
CDGV16=Congressional District Governor Vote in 2016
SDPV16=State Democratic Presidential Vote in 2016
SDGV16=State Democratic Governor Vote in 2016

The allocation fraction is then multiplied by the total number of district-level delegates (46) given to the state to find the number of delegates per each congressional district.

INDIANAPOLIS – The Indiana Democratic Party has released its draft Delegate Selection Plan for the 2020 Democratic National Convention. The plan is located on the Indiana Democratic Party’s website – www.indems.org/ – and will be available for review during a thirty-day public comment period. After the period expires, input will be incorporated, and the plan will be submitted to the State Central Committee for final approval. The plan then moves to the Democratic National Committee for consent.

The plan provides that Indiana will have a total of 70 delegates. The most common method of selection will be the election of Indiana’s 46 district-level delegates at the 2020 State Convention on June 13, 2020.

The plan also lays out the allocation of delegates; the method by which delegates will be identified; information about the Affirmative Action Committee’s involvement in the formulation of the plan; and a list of media outlets to which the plan has been released.

Questions and comments regarding the plan may be submitted to the Party on its website.

May 3, 2019

INDIANAPOLIS – The framework to send delegates to the 2020 Democratic National Convention in Milwaukee was approved by a unanimous vote of the Indiana Democratic Party Central Committee this week. Indiana Democratic Party Chairman John Zody celebrated the plan and the process.

“Our Party draws its strength from our diversity,” said Zody. “I am confident the delegation we send to Milwaukee will wholly reflect our Party, and that at our National Convention we will nominate the next President of the United States.”

National delegates are chosen by state delegates during the Indiana Democratic Party’s State Convention on June 13, 2020. Delegates to the State Convention are elected on the 2020 primary ballot or appointed by county chairs. Hoosier Democrats interested in becoming a national delegate must file with the Indiana Democratic Party between May 1 and June 1, 2020. The 46 district-level national delegates will be selected by State Convention delegates. The district-level national delegates will then select the following national delegates: nine Party Leader/Elected Official delegates; 15 at-large delegates; six alternate at-large delegates. The full Delegate Selection Plan, which has now been submitted to the Democratic National Committee’s Rules & Bylaws Committee for approval, is available at www.indems.org

From: Catherine S.  
Date Submitted: March 25, 2019  
Comment: “I have no changes to suggest. The Delegate Selection Plan is a good option.”

From: Lisa S.  
Date Submitted: April 17, 2019  
Comment: “Just a suggestions on candidates. Make sure they look the part of a serious candidate (suit, or at least long sleeve white shirt and tie, or an appropriate pant suit or suit, dress, skirt, etc.) we want someone who is well spoken, well-educated, etc. Can speak well, debate intelligently. We need to hire a GOOD marketing company. The ads out the last few years...well...they suck. We need to hire the Repub marketers if we can't find someone equally competitive. Our State is becoming WAY to conservative. We have to gain back the govenorship and state legislation. Our platform and our candidates need to OWN our values. Put it in the electorate's faces. Watch Michael Douglas at the end of the movie, "The American President". All most all of the benefits Americans enjoy came from the Democrats. Medicare, Medicaid, Social Security, ACA coverage,... We are not going to change the mind of Trump’s 33%. We need to show how unprecedented Trump and this administration are. Be in the people's faces when showing history and today. Show real people and how they have been (increased taxes, job loss) or will be (if we lose ACA). Show how people promised to keep ACA priorities and then voted against. We need to win! if we need to scare people then we scare them. Our morals and ethics are only good if we have the power to enforce them.”

IC 3-11-15-46 County election board defines access policies to voting systems and electronic poll books; security protocols; default protocols

Sec. 46. (a) The county election board is responsible for defining the specific access policies applying to voting systems and electronic poll books in each election and for specifying when any variations from these policies are permitted.

(b) The county election board may adopt a resolution to establish a security protocol to secure the voting systems and electronic poll books used in each election conducted in the county. The security protocol must include an audit trail to detect unauthorized access to the voting systems and electronic poll books. A resolution adopted under this subsection must be adopted by the unanimous vote of the board's entire membership. If the board adopts a resolution under this subsection, the requirements of subsections (c) through (g) do not apply to the county. The person or entity conducting the voting system
technical oversight program and the election division shall be available to advise 
the county election board in the development of a security protocol under this 
subsection.

(c) The county election board shall place a uniquely numbered seal on each 
voting system and electronic poll book used in an election to secure the voting 
system and electronic poll book and permit post-election auditing. The form of 
the seal and information contained on the seal shall be prescribed by the election 
division and must make it impossible to access the sealed part of the unit 
without detection.

(d) The county election board shall place the seal described in subsection (c) 
on the voting system or electronic poll book immediately upon completion of 
the canvass of votes cast in an election in which the voting system or electronic 
poll book was made available for use at a precinct or vote center.

(e) The seal must remain in place except when the county election board 
orders unsealing of the voting system or electronic poll book in one (1) of the 
following cases when the board finds unsealing to be necessary:

(1) To conduct maintenance on the voting system or electronic poll book.
(2) To prepare the voting system or electronic poll book for use in the next 
election to be conducted by the county in which the voting system or electronic 
poll book will be made available.

(3) To install certified voting system hardware, firmware, or software on a 
voting system or certified upgrades on an electronic poll book.
(4) To conduct a public test of the voting system or electronic poll book required 
by state law.
(5) To conduct an audit authorized or required by this title.
(6) For the county election board to correct an error under IC 3-12-5-14.
(7) When ordered during a recount or contest proceeding under IC 3-12.

(f) The county election board shall reseal the voting system or electronic poll 
book immediately after the completion of the maintenance, installation, audit, 
correction, recount proceeding, or contest proceeding. When the county election 
board orders the unsealing of the voting system or electronic poll book to 
prepare for the use of the equipment in an election, the voting system or 
electronic poll book may remain unsealed until the canvassing is completed 
under subsection (d).

(g) The county election board shall document when each voting system or 
electronic poll book is sealed or unsealed under this section, identifying:

(1) the serial number of each voting system or electronic poll book that is sealed 
or unsealed;
(2) the date on which the sealing or unsealing occurred; and
(3) the individual who performed the sealing or unsealing.

IC 3-11-4-18Transmitting ballots; additional documentation; voter 
education program

Note: This version of section effective until 7-1-2018. See also following 
version of this section, effective 7-1-2018.

Sec. 18. (a) If a voter satisfies any of the qualifications described in IC 3-11- 
10-24 that entitle a voter to cast an absentee ballot by mail, the county election 
board shall, at the request of the voter, mail the official ballot, postage fully 
prepaid, to the voter at the address stated in the application.

(b) If the county election board mails an absentee ballot to a voter required to 
file additional documentation with the county voter registration office before 
voting by absentee ballot under this chapter, the board shall include a notice to 
the voter in the envelope mailed to the voter under section 20 of this chapter. 
The notice must inform the voter that the voter must file the additional 
documentation required under IC 3-7-33-4.5 with the county voter registration 
office not later than noon on election day for the absentee ballot to be counted as
an absentee ballot, and that, if the documentation required under IC 3-7-33-4.5 is filed after noon and before 6 p.m. on election day, the ballot will be processed as a provisional ballot. The election division shall prescribe the form of this notice under IC 3-5-4-8.

(c) Except as provided in this subsection, section 18.5 of this chapter, or IC 3-11-10-26.5, the ballot shall be transmitted:
(1) on the day of the receipt of the voter's application; or
(2) not more than five (5) days after the date of delivery of the ballots under section 15 of this chapter;
whichever is later. If the election board determines that the county voter registration office has received an application from the applicant for registration at an address within the precinct indicated on the application, and the election board determines that this application is pending under IC 3-7-33, the ballot shall be mailed on the date the county voter registration office indicates under IC 3-7-33-5(g) that the applicant is a registered voter.

(d) As required by 52 U.S.C. 21081, an election board shall establish a voter education program (specific to a paper ballot or optical scan ballot card provided as an absentee ballot under this chapter) to notify a voter of the effect of casting multiple votes for a single office.

(e) As provided by 52 U.S.C. 21081, when an absentee ballot is transmitted under this section, the mailing must include:
(1) information concerning the effect of casting multiple votes for an office; and
(2) instructions on how to correct the ballot before the ballot is cast and counted, including the issuance of replacement ballots.

IC 3-11-4-5.5 Election division designated as single office for voter registration and absentee ballot procedures for overseas and absent uniformed services voters; MOVE exception
Sec. 5.5. In accordance with 52 U.S.C. 20302(b), but subject to section 5.7 of this chapter, the election division is designated as the single office in Indiana responsible for providing information regarding voter registration procedures under IC 3-7 and absentee ballot procedures under this chapter to be used by absent uniformed services voters and overseas voters who wish to register to vote or vote in any jurisdiction in Indiana.

IC 3-11-4-5.7 Military and Overseas Voter Empowerment Act; delegation of authority to counties; designation of communications means; providing applications to voters; security and privacy of application requests; providing information to voters; free access system
Sec. 5.7. (a) As used in this section, "MOVE" refers to the Military and Overseas Voter Empowerment Act (P.L. 111-84, Division A, Title V, Subtitle H (Section 575 et seq.)).
(b) As used in this section, "voter" refers only to either of the following:
(1) An absent uniformed services voter.
(2) An overseas voter.
(c) Except as expressly provided by law, the state delegates its responsibilities to carry out the requirements of MOVE to each county election
board (or board of elections and registration established under IC 3-6-5.2 or IC 3-6-5.4).

(d) To implement 52 U.S.C. 20302, electronic mail, fax, and web publication are designated as means of communication for a voter to request a voter registration application and an absentee ballot application from the election division, a county election board, or a county voter registration office.

(e) An office described in subsection (d) that receives an electronic mail or fax from a voter shall provide an absentee ballot application or a voter registration application by electronic mail or fax to the voter if:

(1) requested by the voter; and

(2) the voter provides an electronic mail address or a fax number that permits the office to send an application not later than the end of the first business day after the office receives the communication from the voter.

If the electronic mail address or the fax number provided by the voter does not permit the office to send the voter an application not later than the end of the first business day after the office receives the communication, the office shall send the application to the voter by United States mail.

(f) As required by 52 U.S.C. 20302, to the extent practicable and permitted under Indiana law (including IC 3-7 and IC 5-14-3), an office described in subsection (d) shall ensure that the procedures used to transmit an absentee ballot application or a voter registration application to an absent uniformed services voter or overseas voter protect the security and integrity of the application request processes, and that the privacy of the identity and other personal data of the voter who requests or is sent an application under subsection (e) is protected throughout the process of making the request or being sent the application.

(g) As required under 52 U.S.C. 20302, an office described in subsection (d) shall include information regarding the use of electronic mail, fax, and web publication with all informational and instructional materials that are sent with an absentee ballot application or an absentee ballot to an absent uniformed services voter or overseas voter.

(h) To implement Section 580 of MOVE, and in accordance with IC 3-7-26.3-3, the secretary of state, with the approval of the election division, shall develop a free access system that permits an absent uniformed services voter or overseas voter to determine whether the voter's absentee ballot has been received by the appropriate county election board (or board of elections and registration), regardless of the manner in which the absentee ballot was transmitted by the voter to the board. To the extent permitted by IC 3-7 and IC 5-14-3, the system must contain reasonable procedures to protect the security, confidentiality, and integrity of personal information collected, stored, or otherwise used on the system.

IC 3-11-4-6 Absent uniformed services voters, overseas voters, and address confidentiality voters; transmission of applications and ballots

Sec. 6. (a) This section applies, notwithstanding any other provision of this title, to absentee ballot applications for the following:

(1) An absent uniformed services voter.

(2) An address confidentiality program participant (as defined in IC 5-26.5-1-6).

(3) An overseas voter.

(b) A county election board shall make blank absentee ballot applications available for persons covered by this section. Except as provided in section 3(c) of this chapter, a person may apply for an absentee ballot at any time after the registration period resumes under IC 3-7-13-10.
(c) A person covered by this section may apply for an absentee ballot for the next scheduled primary, general, or special election by filing either of the following:

(1) A combined absentee registration form and absentee ballot request approved under 52 U.S.C. 20301(b)(2).

(2) A form prescribed under IC 3-5-4-8 that identifies the applicant as an absent uniformed services voter or an overseas voter. A form prescribed under this subdivision must permit the applicant to designate whether the applicant wishes to receive the absentee ballot by electronic mail, fax, or United States mail.

(d) If the county election board receives an absentee ballot application from a person described by subsection (c), the circuit court clerk shall mail to the person, free of postage as provided by 39 U.S.C. 3406, all ballots for the election immediately upon receipt of the ballots under section 15 of this chapter, unless the person has indicated under subsection (c) that the person wishes to receive the absentee ballot by electronic mail or fax.

(e) Whenever a voter files an application for an absentee ballot and indicates on the application that the voter is an absent uniformed services voter or an overseas voter, the application is an adequate application for an absentee ballot for an election conducted during the period that ends on December 31 following the date the application is filed, unless an absentee ballot mailed to the voter at the address set forth in the application is returned by the United States Postal Service due to an unknown or insufficient address in accordance with IC 3-7-33-5. If a voter entitled to receive an absentee ballot under this subsection subsequently files a voter registration application for a change of address within the same county or for a change of name or other information set forth in the voter's registration record, the previously approved absentee ballot application remains effective for the same period, unless the acknowledgment notice sent to the voter at that address is returned by the United States Postal Service due to an unknown or insufficient address in accordance with IC 3-7-33-5. If a voter entitled to receive an absentee ballot under this subsection subsequently files a voter registration application for an address that is not located in the same county, the voter must file a new absentee ballot application under this section with the appropriate county election board.

(f) Whenever a voter described in subsection (a)(2) files an application for a primary election absentee ballot and indicates on the application that the voter is an address confidentiality program participant, the application is an adequate application for a general election absentee ballot under this chapter and an absentee ballot for a special election conducted during the period that ends on December 31 following the date the application is filed. The circuit court clerk and county election board shall process this application and send general election absentee ballots to the voter in the same manner as other general election and special election absentee ballot applications and ballots are processed and sent under this chapter.

(g) The name, address, telephone number, and any other identifying information relating to a program participant (as defined in IC 5-26.5-1-6) in the address confidentiality program, as contained in a voting registration record, is declared confidential for purposes of IC 5-14-3-4(a)(1). The county voter registration office may not disclose for public inspection or copying a name, an address, a telephone number, or any other information described in this subsection, as contained in a voting registration record, except as follows:

(1) To a law enforcement agency, upon request.

(2) As directed by a court order.

(h) The county election board shall by fax or electronic mail transmit an absentee ballot to and receive an absentee ballot from an absent uniformed
services voter or an overseas voter by electronic mail or fax at the request of the voter indicated in the application filed under this section. If the voter wants to submit absentee ballots by fax or electronic mail, the voter must separately sign and date a statement submitted with the electronic mail or the fax transmission that states substantively the following: “I understand that by faxing or e-mailing my voted ballot I am voluntarily waiving my right to a secret ballot.”

(i) The county election board shall send confirmation to a voter described in subsection (h) that the voter's absentee ballot has been received as follows:
(1) If the voter provides a fax number to which a confirmation may be sent, the county election board shall send the confirmation to the voter at the fax number provided by the voter.
(2) If the voter provides an electronic mail address to which a confirmation may be sent, the county election board shall send the confirmation to the voter at the electronic mail address provided by the voter.
(3) If:
(A) the voter does not provide a fax number or an electronic mail address; or
(B) the number or address provided does not permit the board to send the confirmation not later than the end of the first business day after the board receives the voter's absentee ballot;
the county election board shall send the confirmation by United States mail.
The county election board shall send the confirmation required by this subsection not later than the end of the first business day after the county election board receives the voter's absentee ballot.

(j) Upon approval of the voter's absentee ballot application, a county election board shall transmit an absentee ballot to an absent uniformed services voter or an overseas voter by electronic mail under a program authorized and administered by the Federal Voting Assistance Program of the United States Department of Defense or directly to the voter at the voter's electronic mail address, if requested to do so by the voter. A voter described by this section may transmit the voted absentee ballot to a county election board by electronic mail. If a voter described in this section transmits the voted absentee ballot through the United States Department of Defense program, the ballot must be transmitted in accordance with the procedures established under that program. An electronic mail message transmitting a voted absentee ballot under this subsection must include a digital image of the voter’s signature on the statement required under subsection (h).
